2. Characteristic spirit and general objectives of the school

Characteristic Spirit of Ardee Community School under the joint patronage of the Archdioceses of Armagh and Louth/Meath ETB

Ardee School Community School is a co-educational multi-denominational post-primary school under the joint patronage of the Archdioceses of Armagh and Louth/Meath ETB.

1. Community Schools provide a comprehensive system of post-primary education open to all the children of the local community. An innovative approach to delivery of a wide-ranging curriculum contributes to the spiritual, moral, mental, physical and social well-being of students within their community. Community Schools may also provide for life-long learning within their local community through the provision of adult education programmes.
2. Our school was established under the Deed of Trust and opened on 1st September 1974 following the amalgamation of St Annes, Convent of Mercy Secondary School, Ardee Vocational School and the De La Salle Secondary School The values of Louth/Meath ETB as a multi-denominational State Body and the inherited traditions, Christian values and founding intentions of the Archdioceses of Armagh are enshrined in the characteristic spirit and in the life of our school and are respected and cherished.
3. The core values of Ardee Community School are care, respect, community, inclusion, equality, justice and fairness. These values combine to provide and support an atmosphere which is conducive to excellence in teaching and learning. We endeavour

Ardee Community School offer the following programmes subject to demand and resourcing by the Department of Education.

Transition Year (TY)

Leaving Certificate (LC) with LCVP

Leaving Certificate (LC) without LCVP

Leaving Certificate Applied (LCA)

1. The Ardee Community School Senior Cycle Handbook is updated annually and contains details of the above programmes and all subjects offered as part of the LC.
2. Entry to specific programmes will be determined following a review of all applications from existing students first, followed by new enrolments.
3. An interview process may apply (specifically for TY and LCA) to ascertain the suitability of the student applying for the specific programme. If interviews are scheduled, students and parents/guardians will be informed of the selection criteria prior to interview.

4. Entry to specific subjects will be determined by reference to the subject choice preference forms completed by students at the end of first year (for Junior Cycle) and at the end of third year/transition year (for students progressing to LC and LCVP).
5. For senior cycle subjects (and levels), the students previous performance (in that subject) may be considered relative to the other students applying for the subject/level. The suitability of some subjects will be considered and discussed with parents/guardians for students with Special Education Needs.
6. Ardee Community School uses its administration system to optimise the subject bands and to satisfy the majority of student preferences. It should be noted that while every effort will be made to accommodate individual subject preferences, it is not always possible due to over/under demand or scheduling issues e.g. two subjects on at the one time on the timetable.

C. Application to Repeat a Year.

1. All applications to repeat a year are governed by the guidelines set down in the Department of Education and Skills Circular Letter M02/95.

16. Declaration in relation to the non-charging of fees

This rule applies to all schools.

The Board of Management of Ardee Community School or any persons acting on its behalf will not charge fees for or seek payment or contributions (howsoever described) as a condition of-

- (a) an application for admission of a student to the school,
or
- (b) the admission or continued enrolment of a student in the school.

Note: Exceptions apply only in relation to fee charging post primary schools, the boarding element in boarding schools and admission to post leaving cert or further education courses run by post-primary schools.

17. Arrangements regarding students not attending religious instruction

Ardee Community School offers religious education in all year groups as it promotes the holistic development of students and can contribute positively to their wellbeing in line with the principles of the Junior Cycle and Senior Cycle Frameworks and in the spirit of the Deed of Trust. It facilitates the intellectual, social, emotional, spiritual values and moral development of students and encourages respect for all members of our school communities.

In addition, religious education supports the ‘multi-denominational’ aspect of our school’s ethos as it provides opportunities for students to engage with questions around their own religious or non-religious beliefs and those of their peers.

In this context it is important to understand the distinction between ‘religious education’ and ‘religious instruction’:

- Religious education is open to all pupils regardless of their commitment to any religion or worldview. It seeks to contribute to the spiritual and moral development of all students equally.
- Religious instruction is instruction in accordance with the rites, practices and teachings of a particular religion or denomination for pupils of that religious tradition.

Given that Religious Education, as distinct from Religious Instruction, is timetabled across our school at all levels the legal requirement to advise of the option to opt-out of religious instruction does not arise.

18. Reviews/appeals

Review of decisions by the Board of Management

The parent of the student, or in the case of a student who has reached the age of 18 years, the student, may request the board to review a decision to refuse admission. Such requests must be made in accordance with Section 29C of the Education Act 1998.
