

Ardee Community School

Schoolbooks Scheme and Stationery Provision

Objective: This policy aims to outline the expectations of parents/guardians regarding the Free Schoolbooks Scheme and the provision of stationery packs by Ardee Community School, ensuring the proper care of school property and addressing responsibilities in cases of loss or damage.

Note: Schools are operating the Schoolbooks Scheme on a predefined and limited budget as determined by the Department of Education and Youth.

Note: It is important to note that the budget, as determined by the Department of Education and Youth, is **subject to change annually and so we cannot guarantee the same provision year on year.**

Schoolbooks Scheme:

- The books provided under the schoolbooks scheme always remain the property of Ardee Community School. These books are on loan to students for the academic year or course and must be treated with care and respect. Books that are part of this scheme must be returned to the school when requested in good condition.
- It is important to note that schools may continue to use books already in circulation under schoolbook rental schemes. Schools will also **re-use** the books purchased under this scheme for distribution to other students.
- It is the responsibility of parents/guardians to ensure that students handle the books with care to facilitate their reuse by the school in subsequent years. Students are required to return all books at the end of their course or in the event of transferring school during a course. Students are required to follow the arrangements set out by the school for the collection of books when required to do so.
- Parents/guardians are expected to cover the cost of replacing any lost or damaged books, beyond ordinary wear and tear. This includes damage caused by negligence or mishandling.

- Books **will not be** replaced by the school if they are lost, stolen or damaged.
- Parents/Guardians will be required to provide a deposit of €50 for each student on joining the scheme. This deposit will be returned once the books and/or equipment are returned in good condition to the school and the conditions of the scheme are complied with. This means that the deposit will be returned at the end of 3rd year for Junior Cycle students and at the end of 6th year for Senior Cycle students including Transition Year and 5th year students.
- It is the responsibility of Parents/Guardians of students who leave the school/transfer to another school to ensure that all books and materials are returned to the school.

Stationery Provision:

- Ardee Community School will provide specialised resource materials/packs for students, as outlined in Department of Education guidelines. These materials are intended to cover specialised stationery needs for academic purposes, i.e. in Art, Home Economics, Wood Technology, Graphics and Maths etc.
- All copies, hardbacks, display folders and equivalent will be supplied by the school.
- **Used and/or lost stationery is to be replenished/replaced by parents/guardians.**
- Additional stationery or specialised equipment/supplies required for specific subjects may need to be acquired separately by parents/guardians. This requirement will be notified to parents during the school year as necessary.

Responsibilities of Parents/Guardians:

- Parents/guardians are expected to support their child's education by ensuring they have the necessary materials for learning, including textbooks and stationery. This includes the safeguarding of books/equipment/stationery for the duration of Junior Cycle as per school policy.
- Regularly checking and monitoring the condition of books and stationery items provided to students is encouraged. Any issues should be promptly reported to the school.
- In cases of loss or damage to books or stationery, parents/guardians should notify the school immediately and arrange for replacement or reimbursement as required.
- Financial constraints should not hinder a student's access to education resources. Parents/guardians facing difficulties in meeting these obligations can communicate with the school to explore available support options.

School Support:

- Ardee Community School acknowledges that unexpected exceptional circumstances may arise, and endeavours to work with parents/guardians to address these challenges related to the schoolbooks scheme or stationery provision.
- The school will provide assistance and guidance as needed to ensure all students have access to the necessary resources for their education. However, **please note that *schools are operating the Schoolbooks Scheme on a predefined and limited budget as determined by the Department of Education.***
